

School's Financial Benchmarking

Please click [here](#) to find out school page on the School's Financial Benchmarking. You may use this website to find out about school finances but also to compare our school to other local or national schools.

School Employees' Salary Information

We are required to publish how many schools employees have a gross annual salary of £100,000 or more in increments of £10,000.

We can confirm that no school employee has a gross annual salary equal to or greater than £100,000.
